

ATTAINING TO LIVING FOREVER...

ETERNAL LIFE- A LIFE VALUE THAT KNOWS NO END

Have you ever wondered why it has not occurred to you that you can aspire to live forever beyond physical death?

Is it not time you asked yourself, why not, and if not, how can?

Long ago, an influential political leader named Nicodemus asked the same question[s] and was taken by surprise by the answers which he received.

Will Jesus, the Son of God answer the same life probing questions the same way he did then, today? What questions (see John Chapter 3 verses 1-19 in the Holy Bible) did the leader, named Nicodemus, ask, and what answers did he get from Jesus?

Questions of Eternal Issues

Can I possibly live again after I die?

Does Jesus really make a difference in this desire?

What does eternal divine destiny mean?

Can I be ever free from wrong doing and guilt?

Can I be sure about what happens to the real me when I die?

How can I make peace with God?

How can I become a friend of God and a person of secured destiny?

You are invited to consider undertaking a journey of finding answers to these questions.

Here we go.....

TAKING STEPS TOWARDS FREEDOM FROM FEAR OF DEATH, ETERNAL DESTRUCTION AND PUNISHMENT

1. Decide now that you are going to begin to seek for God with everything within you and be determined to find Him.
2. Decide you will allow God to seek you out, and find you wherever you are located right now. Believe in your heart the sacrifice Jesus Christ, God's only begotten Son paid through His public dying by hanging on the cross having done no wrong but serving the punishment for your wrong doings and rebellion.
3. Be rest assured Jesus will never reject you. In fact, angels will throw a party in heaven rejoicing that you have escaped destruction by making peace with God through Jesus Christ.
4. Allow Jesus to do the cleaning. You do not have to worry about the filth; you cannot do anything about it on your own, nor by yourself. As God cleans you on the inside, the outside reveals the pure eternal beauty of God's internal cleansing by the Holy Spirit, who is the third person of God Himself, the Spirit of God.
5. Believe it or not, you also are primarily a spirit man/woman. Every human becomes a living being because God gives to him/her a spirit to be within. This explains why only spiritual food can satisfy the longing within you to experience wholeness and peace. Only God can satisfy that longing. Living with this understanding and actively pursuing these steps you will very quickly understand God more by and by through the assistance of the Holy Spirit as you study God's Word- **The Holy Bible**
6. You will understand that God hates sin but loves all human beings. He will not allow sin to remain in anyone who proclaims it to be His, for "God is light, and in Him is no darkness at all" (1John 1:5). So He will Himself help you to live a victorious life, above sin.
7. Resolve today not to continue to live, leaving things to chances. Living and dying without the assurance of your destiny after death is tantamount to sentencing yourself to timeless time in hell, a place of everlasting torment, deep sorrow, pain, and unnecessary punishment; lost and separated from God forever!
8. Do not allow fear to creep in and cripple you. God's mercy, forgiveness and gifts of eternal life are free of charge to anyone who will receive, including you. It's free, no cost to you!!
Therefore, do something today.

OR TAKING THE REAL FIRST STEP!

Should you want to consider taking the first active step towards being sure of your eternal destiny of living forever, settle it in your heart and mind once and for all by making this declaration of faith in prayer:

“Dear God, I come to You today realising my state of helplessness and hopelessness. I decide today, like Nicodemus did, to approach You for my life changing experience.

I believe in my heart that Jesus died on the cross for me that I may no longer be a slave to sin. I repent of my sins and choose today to give my life to you. I renounce the devil and his ways. I receive from you, dear Father, in the Name of Your dear Son, Jesus Christ of Nazareth, forgiveness for all my sins and short comings. Empower me by your Holy Spirit to live henceforth only for you. I declare to the whole world and to the innumerable company of angels as I confess that I am now born again. It is no longer I who live but Christ, the hope of blessed glory, living on the inside of me. Thank you, my Father for saving me. From now on, with Christ in me I live only to your honour and your glory In the name of Jesus Christ of Nazareth.”
